Financial Accountant

Description
Location: West Midlands, UK

Company: £70m Automotive Business

Reports to: Finance Director

Salary: Competitive, dependent on experience

Type: Full-time, Permanent

About the Company: Our clients are a thriving £70m automotive business located in the West Midlands, renowned for our innovative automotive solutions and commitment to excellence. As they continue to expand, they seek a skilled and dedicated Financial Accountant to join their finance team and support their financial operations.

Responsibilities

Key Responsibilities:

- **Financial Reporting:** Prepare accurate and timely financial statements, including balance sheets, income statements, and cash flow statements in accordance with UK GAAP/IFRS.
- **Month-End Close:** Manage the month-end close process, ensuring all financial transactions are accurately recorded and reported.
- **Reconciliations:** Perform monthly balance sheet reconciliations and investigate discrepancies to ensure financial integrity.
- **Audit:** Coordinate and manage the annual audit process, liaising with external auditors and ensuring compliance with audit requirements.
- **Tax Compliance:** Prepare and submit VAT returns, corporation tax computations, and other statutory filings.
- **Internal Controls:** Develop and maintain robust internal controls to safeguard company assets and ensure compliance with financial regulations.
- **Fixed Assets:** Manage the fixed asset register, including capital expenditure tracking, depreciation calculations, and disposals.
- **Financial Analysis:** Provide detailed financial analysis and support to the management team, including variance analysis and financial performance reviews.
- **Process Improvement:** Identify and implement process improvements to enhance the efficiency and accuracy of financial reporting.
- **Ad Hoc Projects:** Support various ad hoc financial projects and initiatives as required by the Finance Director.
