

Financial Controller Maidstone Kent

Description

Job Title: Financial Controller
Location: Maidstone, Kent (On-site/Hybrid options available)
Industry: Building Materials / Cement Manufacturing
Company Turnover: £80 million
Salary: £80,000–£100,000 DOE + Bonus + Benefits
Reports to: Finance Director / Managing Director
Employment Type: Full-time, Permanent

About the Company

We are a leading £80 million cement and construction materials company based in Maidstone, Kent. With decades of industry experience, we serve both national and regional infrastructure projects across the UK. As we continue to scale and diversify, we are looking for a highly capable and commercially driven **Financial Controller** to support our leadership team and drive operational and strategic financial performance.

Role Overview

This is a pivotal leadership role where you will be responsible for overseeing the financial operations of the business, ensuring strong financial controls, compliance, and reporting. You will also play a key role in driving profitability, supporting capital investment decisions, and delivering financial insights to enable strategic growth.

Responsibilities

Key Responsibilities

- Lead and manage the finance function, ensuring timely and accurate preparation of monthly, quarterly, and annual financial reports.
- Oversee management accounts, statutory accounts, VAT, corporation tax, and audit preparation.
- Manage the budgeting and forecasting process in collaboration with the wider leadership team.
- Drive cost control initiatives and identify opportunities to improve margins and operational efficiency.
- Monitor and manage cash flow, capital expenditure, and working capital.
- Provide commercial finance support for pricing, contract analysis, and investment appraisals.
- Ensure full compliance with accounting standards, tax regulations, and
