

Financial Controller – Property Management

Description

Job Title: Financial Controller – Property Management

Location: London, UK

Job Type: Permanent

Salary: £75,000 – £80,000 per annum

About the Company

An exceptional opportunity has arisen to join a **growing and dynamic Property Management company** based in London. Known for its innovative approach and a portfolio of exciting projects, the company is expanding and seeking a skilled **Financial Controller** to lead its finance function.

Responsibilities

About the Role

As the **Financial Controller**, you will be a key member of the senior leadership team, responsible for overseeing all aspects of financial management, reporting, and strategic support. This is a hands-on role that requires both technical excellence and strong business acumen, offering the opportunity to shape the financial operations of a growing and ambitious company.

Key Responsibilities

- Lead and manage the finance and accounting function, ensuring accuracy, efficiency, and compliance
- Prepare monthly, quarterly, and annual financial reports including P&L, balance sheet, cash flow and variance analysis
- Oversee budgeting, forecasting, and financial planning processes
- Manage year-end processes and liaise with external auditors
- Ensure compliance with statutory regulations, tax requirements, and company policies
- Provide financial insight and support to the executive team on key business decisions
- Monitor and improve financial systems, controls, and reporting tools
- Support the financial elements of new and ongoing property development and management projects
