

Financial Controller – Stafford

Description

Job Title: Financial Controller

Location: Stafford, Staffordshire

Salary: Competitive + Benefits

Job Type: Full-Time, Permanent

About the Role:

We are delighted to be working with a well-established and reputable client in Staffordshire to recruit an experienced **Financial Controller**. This is a key appointment for the business, acting as the **No.1 finance professional on site**, and reporting directly to the Group Finance Director.

This is a hands-on role responsible for overseeing the full finance function of the site, including monthly management accounts, statutory audit processes, and day-to-day financial operations. The successful candidate will play a crucial role in driving financial control and supporting strategic business decisions.

Responsibilities

Key Responsibilities:

- Prepare timely and accurate **monthly management accounts** and financial reports
- Manage and maintain the general ledger, ensuring all entries are correct and reconciled
- Lead the **statutory audit** process and liaise with external auditors
- Oversee budgeting, forecasting, and financial planning activities
- Maintain robust financial controls and processes in line with group policies
- Monitor cash flow, working capital, and cost control
- Produce ad hoc financial reports and analysis for the Group Director
- Support operational teams with financial insights and commercial analysis
- Ensure compliance with relevant accounting standards and regulations
- Manage and develop a small finance team (if applicable)
