Financial Controller – Wolverhampton

Description
Job Title: Financial Controller
Location: Wolverhampton, UK
Industry: Industrial Cleaning Services
Employment Type: Full-Time
Salary: Competitive, dependent on experience

About the Company

We are a leading provider of industrial cleaning services, serving clients across the Midlands and beyond. With a strong reputation for reliability, safety, and quality, we support a range of industries including manufacturing, logistics, and utilities. As we continue to grow, we are seeking a commercially-minded and hands-on **Financial Controller** to join our senior leadership team.

Role Overview

The Financial Controller will be responsible for overseeing all financial operations of the business, ensuring compliance, driving efficiency, and supporting strategic decision-making. This role is pivotal to maintaining our financial health and supporting sustainable growth.

Responsibilities

Key Responsibilities

- Manage all day-to-day accounting operations including billing, accounts receivable/payable, general ledger, and payroll.
- Prepare monthly management accounts, budgets, forecasts, and cash flow reports.
- Analyse financial data to support business planning and operational performance.
- Ensure statutory compliance with UK accounting standards and HMRC regulations.
- Liaise with external accountants, auditors, and tax advisors.
- Monitor and manage company cash flow, working capital, and financial risk.
- Oversee financial systems, processes, and internal controls, recommending improvements where necessary.
- Support the Managing Director and senior management with financial insights and strategic input.
- Manage and develop a small finance team, ensuring high performance and accuracy.

Qualifications

Required Skills & Experience

- ACA/ACCA/CIMA qualified (or equivalent).
