

Financial Manager (Mergers and Acquisitions)

Description

Job Title: Financial Manager (Mergers & Acquisitions)

Department: Corporate Finance / Strategy

Reports To: Directors & CEO

Location: Ashford, Kent

Employment Type: Full-Time / Permanent

Job Purpose

We are seeking a highly motivated and detail-oriented **Financial Manager (M&A)** to join our Corporate Finance team. In this pivotal role, you will be responsible for driving the end-to-end M&A process, including financial modelling, valuation, due diligence, deal structuring, and integration planning. You will play a key role in supporting the company's growth strategy and long-term objectives.

Responsibilities

Key Responsibilities

- Lead and support all stages of the M&A lifecycle, including deal sourcing, evaluation, financial analysis, due diligence, negotiations, and post-deal integration.
- Develop and maintain advanced financial models to evaluate deal economics, synergy opportunities, and return on investment (ROI).
- Perform company valuations using DCF, comparable company, and precedent transaction methodologies.
- Conduct in-depth industry and target research to assess strategic fit and market positioning.
- Coordinate internal and external due diligence processes across legal, tax, finance, commercial, and operational functions.
- Collaborate with internal teams and external advisors to structure optimal transaction terms.
- Prepare high-quality investment memoranda and presentations for executive leadership and board-level decision-making.
- Monitor and report on post-deal performance and integration progress against key metrics.
- Liaise with funders, stakeholders, and investors; support capital raising and ROI modelling as needed.

Qualifications

Experience & Qualifications

- Proven experience successfully managing M&A transactions from origination through to post-integration.
- Strong background in corporate finance, investment banking, private equity,
