

Group Financial Controller (International)

Description

Job Title: Group Financial Controller (International)
Location: United Kingdom (with oversight of European subsidiaries)
Reports to: CFO / Finance Director
Type: Full-Time | Permanent

About the Role

We are seeking an experienced and dynamic **Group Financial Controller (International)** to take a leadership role in managing the full finance and accounting operations for our UK headquarters and four additional companies across Europe. This is a pivotal position within an exciting and fast-growing business, offering the opportunity to shape and lead the financial function across multiple jurisdictions.

Responsibilities

Key Responsibilities

- **Leadership & Strategy**

- Provide strategic financial leadership and guidance to the finance teams across the UK and European subsidiaries.
- Drive continuous improvement in financial systems, controls, and processes.
- Act as a key business partner to senior leadership, providing financial insights to support decision-making and business growth.

- **Financial Operations**

- Manage all finance and accounting operations, including general ledger, accounts payable/receivable, treasury, tax, and audit functions.
- Ensure compliance with local accounting standards, tax regulations, and internal controls across all entities.

- **Budgeting & Forecasting**

- Coordinate and direct the preparation of the annual budget and regular financial forecasts.
- Monitor performance and report variances with actionable insights and recommendations.
