

Group Head of Finance | Growing Property Investment Group

Description

Accountancy Capital is partnering with a growing UK property investment group in Thames Ditton, Surrey to appoint a **Group Head of Finance**. The business acquires and manages specialist housing property assets, leased on long-term arrangements to housing providers, and is building out its finance function as the portfolio and its investor base scale up.

This is an excellent opportunity for a qualified finance professional ready to step into a senior, standalone finance leadership role — owning reporting, compliance and cash management across a multi-entity group, with direct exposure to the CEO, CFO and Board.

Responsibilities

What You'll Be Doing

- Owning day-to-day financial control across the Group's companies and property-owning entities, ensuring accurate, up-to-date accounting records
- Preparing monthly management accounts — consolidated P&L, balance sheet and cash-flow reporting — with variance analysis against budget
- Managing VAT compliance end-to-end: preparation, submission and query resolution
- Coordinating year-end statutory accounts, corporation tax and Companies House filings with external accountants and advisers
- Maintaining rolling cash-flow forecasts and supporting investor dividend administration, including reconciliation and record-keeping
- Producing clear financial information and Board packs for investors and senior management
- Contributing to budgeting, forecasting and financial modelling for acquisitions and portfolio growth
- Supporting fundraising activity, due diligence responses and transaction accounting

Qualifications

What We're Looking For

- Qualified accountant (ACA, ACCA or CIMA) with solid post-qualification experience
- Comfortable working across group structures, intercompany accounting and statutory reporting
- Strong Excel skills and experience with cloud-based accounting/reporting systems
- Background in property, real estate, funds or another investor-backed environment is a strong plus
- Organised, detail-focused and confident managing multiple deadlines and
