Interim Finance Director

Description
Job Title: Interim Finance Director
Location: London (Hybrid Working)
Contract Type: 6-Month Interim (with potential to extend)
Day Rate: £800–£1,000 per day (Inside IR35)
Reference: AC-032025-INTFD

About the Role

Accountancy Capital is delighted to partner with a high-growth professional services business based in London, currently seeking an experienced **Interim Finance Director** to lead their finance function through a period of transformation and strategic realignment.

Working closely with the CEO and Board, the Interim FD will play a pivotal role in driving financial performance, implementing robust reporting structures, and supporting ongoing M&A discussions. This is a highly commercial and hands-on role, suited to a strategic thinker with strong technical expertise and a track record of success in dynamic, fast-paced environments

Responsibilities

Key Responsibilities

- Lead the finance function, ensuring accurate and timely delivery of financial reporting, budgeting, and forecasting
- Drive financial strategy and decision-making in collaboration with the executive leadership team
- Provide clear insight into performance metrics and KPIs across business units
- Oversee the preparation of monthly management accounts and board packs
- Support the ongoing development of financial systems and controls, ensuring scalability
- Advise on commercial opportunities including pricing strategy, contract reviews, and investment decisions
- Manage external relationships with auditors, tax advisors, and legal counsel
- Lead due diligence and integration planning for potential acquisitions

Qualifications

Candidate Profile

- Fully qualified accountant (ACA/ACCA/CIMA) with 10+ years of post-qualification experience
- Proven experience as a Finance Director or CFO in a mid-sized or high-growth business
- Strong technical background with the ability to interpret complex financial data
