Description

Job Title: Part-Time Financial Controller

Location: Shrewsbury / Shropshire

Hours: Part-Time (Up to 24 hours per week)

Salary: Up to £80,000 FTE (Pro Rata)

Sector: Engineering / Construction

The Company:

We are proud to be exclusively retained to recruit a **Financial Controller** on behalf of a respected and growing **Engineering Contractor** operating in the Shrewsbury / Shropshire area. This is a key appointment designed to strengthen the finance function as the business continues its trajectory of growth and operational excellence.

This opportunity offers **flexible part-time hours** and the chance to work in a collaborative environment alongside a **Fractional Finance Director** and a supportive Board of Directors.

The Role:

As **Financial Controller**, you will take ownership of the day-to-day financial operations of the business. This is a broad and hands-on role, well-suited to a commercially-minded individual who is comfortable working at both strategic and operational levels.

You will be responsible for delivering timely and accurate financial information to support decision-making and contribute to the company's continued success.

Responsibilities

Key Responsibilities:

- Take ownership of **monthly management accounts**, including preparation, review, and commentary
- Oversee **cash flow forecasting**, working capital management, and financial controls
- Lead on **budgeting and financial planning** processes in collaboration with key stakeholders
- Provide regular **management information and analysis (MI)** to the Board and Finance Director
- Drive **project accounting** activities, ensuring accurate cost tracking and margin analysis
- Manage **financial reporting** and liaise with external accountants/auditors as required
- Review and refine finance processes, systems, and controls to ensure efficiency and compliance
- Support strategic decisions through robust financial insight and risk analysis

Qualifications

About You:

- Qualified accountant (ACA, ACCA, CIMA or equivalent)
- Proven experience as a Financial Controller or senior finance role, ideally within the **engineering, contracting, or project-based industries**
